360 vistas: Cochise Stronghold to the east, the Rincons to the North, Kitt Peak to the west and Whetstones to the south.

Bridge the Financing Gap - Financing options are available.

Purchasing land with a land loan is a great way to establish a location for your home and a lot loan doesn't require that you pay insurance on a dwelling.

Build your home on your own schedule.

We offer seller financing with 30% down, 8% interest and 10-year term.
